

The CAMC Foundation is partnering with the YMCA of Kanawha Valley to sponsor statewide sporting competitions for athletes of all ages with physical disabilities through its Para-Athletic program, which is the only organized, sanctioned sporting program for the physically challenged in West Virginia. The program offers year round competitions in track and field, marksman, swimming, basketball, tennis, archery and golf. (The purpose of this survey is to determine your interest in different sports/events, and does not guarantee that all sports/events will be available for participation).
