[Request Appointment](#)

When you click “Request Appointment,” you can begin filling out the steps to send your request if you are an established patient of one of our employed physicians. You will receive a confirmation from the department based on your selected method of contact – message or phone call.

Request an Appointment

For your convenience, you may request an appointment with one of our CAMC employed physicians if you are an established patient of that physician.

We'll review your request and respond within one business day. Please do not consider this appointment reserved until you receive a confirmation from your provider's office.

If you are a new patient and would like to request an appointment with an employed physician, you may call that location to schedule. [Click here](#) to search our physician directory for more information.

To request an appointment for pre-admission testing, medical imaging or other services, please call CAMC Central Scheduling at (304) 388-9677.

If this is an emergency, please call 911 or go to the nearest emergency room.
