• $4,236,000 for community benefit programs and services
• $19.1 million for Medicaid provider tax
• $112,975,000 unreimbursed cost for treating patients with Medicare coverage
• $72,630,000 unreimbursed cost for treating patients with Medicaid coverage
• $25,322,000 unreimbursed costs for treating patients with PEIA coverage
• $23,740,000 written off as bad debt at cost

Nearly 7,000 people work for companies within the CAMC Health System including: Charleston Area Medical Center, CAMC Foundation, CAMC Health Education and Research Institute and Integrated Health Care Providers, Inc.

Charleston Area Medical Center
CAMC, the flagship of the CAMC Health System, offers thousands of families convenience and accessibility through four locations: CAMC General Hospital, CAMC Memorial Hospital, CAMC Teays Valley Hospital and CAMC Women and Children's Hospital.

CAMC provides a continuum of care to patients and their families through a broad range of medical specialties including: bariatric surgery, dentistry, fertility, facial and maxillofacial surgery, general and vascular surgery, infectious diseases, neurology, oncology, orthopedics, pathology, plastic surgery, urgent care, urology and urology/transplant.

CAMC Foundation
The CAMC Foundation is the fundraising organization for the CAMC Health System. The foundation accepts gifts from individuals, businesses and foundations to support programs and services at CAMC. In 2015, the foundation provided more than $3 million in grants for medical educational scholarships, research, programs that support underserved infants and children, new technology, adult and pediatric cancer care and more.

CAMC Health Education and Research Institute
The CAMC Institute provides continuing medical education, outreach education and research support to physicians, allied medical professionals as well as patient and consumer health service projects in West Virginia and the region. The institute also operates a school of nurse anesthesia affiliated with Marshall University as well as 13 graduate medical education residency/fellowship programs sponsored by CAMC and in affiliation with West Virginia University Charleston Division and the West Virginia School of Osteopathic Medicine. Additionally, CAMC sponsors pharmacy residency programs and a clinical psychology internship.
Special designations
• West Virginia’s largest medical center
• Only kidney transplant center in WV
• Level I (highest ranking) Trauma Center
• Level I pediatric intensive care unit (highest ranking)
• Level III neonatal intensive care unit (highest ranking)
• A base of operation for HealthNet Aeromedical Services
• Primary medical safety net provider of women and children’s and trauma services in central and southern West Virginia
• Fully accredited by DNV-GL.
• The American College of Surgeons’ Verification Review Committee re-verified CAMC General Hospital as a Level 1 Trauma Center through 2017.
• CAMC Institute is the only hospital-based provider of CME in West Virginia that is nationally accredited.
• The College of American Pathology (CAP) again fully accredited CAMC’s clinical laboratories and all point of care facility sites.
• The American Diabetes Association (ADA) has approved CAMC’s ADA - Education Recognition Program through January 2018.
• The non-invasive vascular lab at CAMC Memorial and CAMC General Hospitals was granted re-accreditation through the Intersocietal Commission for the Accreditation of Vascular Labs.

Special recognitions and awards
• CAMC is 1 of 4 U.S. organizations named by the U.S. Commerce Department as a 2015 recipient of the Malcolm Baldrige National Quality Award, the nation’s highest presidential honor for performance excellence.
• In 2015 the Commission on Cancer recognized CAMC with its Outstanding Achievement Award. This award is given to cancer centers that meet every standard plus accomplish the commendation level of performance for all seven possible commendations. In order to be awarded, the facility had to have perfect scoring for all three years of the survey period. CAMC was the only hospital in West Virginia to achieve this award in 2014.
• U.S. News Best Hospitals recognized CAMC in 2015 as high performing in 4 adult specialties: diabetes and endocrinology, gastroenterology and GI, nephrology and pulmonary.
• National Research Corporation for hospitals and health systems named CAMC a 2014/2015 Consumer Choice Award winner for the best overall quality and image through a comprehensive consumer assessment.
• Named as a recipient of the 2015 Women’s Choice Award: America’s Best Hospitals for Patient Safety for superior safety performance. Also recognized by Women’s Choice Awards as a Best Hospital for Heart Care for cardiac and vascular experience and our record with regard to 30 day mortality and readmission rates for heart attacks and heart failure with additional consideration given to patient satisfaction scores.

Community highlights
• Served 72,143 people seeking health information or community benefit services such as screenings
• 2,426 participated in live and online outreach events in 2014

Teaching hospital
• CAMC serves as a clinical training site for about 700 additional learners/year through educational affiliations with WV/regional colleges and universities.
• 176 residents, interns and fellows
• 39% of graduates establish practice/continue training in WV
• Nearly 49% of CAMC’s medical staff received training here
• 81 students enrolled in CAMC’s nurse anesthesia program
• In 2014, 2,268 continuing education programs were offered with 60,569 hours of CE credit issued

Patient care (FY 2014)
• 674,002 outpatient visits
• 93,472 emergency room visits
• 3,282 trauma patients admitted
• 39,118 inpatient discharges
• 45,276 general operating room procedures
• 32,076 ambulatory surgery procedures
• 1,210 open-heart bypass procedures

• 12,440 procedures performed in cardiac cath labs
• 30,986 CAMC Cancer Center encounters
• 1,885 newly diagnosed patients with cancer
• CAMC treated 15% of the total 2014 adult cancer discharges in WV
• 2,867 babies delivered
• 543 neonatal intensive care unit admissions
• 39 kidney transplants

Research
• 361 active research projects
• 56 various types of industry sponsored trials

Employees and physicians
• 5,921 full time equivalent employees
• 663 physicians on medical staff

Licensed beds
908 total
• 268 General Hospital
• 424 Memorial Hospital
• 70 Teays Valley Hospital
• 146 Women and Children’s Hospital

Operating rooms
• General Hospital: 13
• Memorial Hospital: 14
• Teays Valley Hospital: 4
• Women and Children’s Hospital: 6
• SurgiCare (outpatient): 4

Financial facts (FY 2014)
• Payroll and benefits = $399 million
• Community benefit = $137,004,000
• $10,175,000 in charity care at cost
• $34,573,000 to provide health professions education/graduate medical education
• $1,280,000 in subsidized health services to meet identified community needs
