2013 CAMC Foundation Gala

We are pleased to announce Dr. Art and Mrs. Melissa Rubin as the CAMC Foundation’s 2013 Gala Co-Chairs.

Synonymous with pediatric care in the state of West Virginia, the Rubins have spent their lives dedicated to a brighter future for our children and our community. As advocates of great health care for all children in our community, the Rubins look forward to traveling “Back to the Future” to celebrate the accomplishments of CAMC Women and Children’s Hospital since its establishment 25 years ago and look forward to building support for another 25 years.

Please join Dr. and Mrs. Rubin in helping make this year’s celebration the marquee event of the year.

Total monies raised in 2012

The Foundation wishes to thank all of the generous donors for helping raise $4,534,264.12 in 2012. The money includes proceeds from the gala, golf tournament, year-end appeal, employee giving, etc.

Thank you.
The power of many

Welcome

Zoltan Povazsay, also known as “Zoli”, recently joined the CAMC Foundation staff as Development Officer. Povazsay is responsible for developing, implementing, and monitoring fundraising efforts for the CAMC Foundation. He will also establish relationships with individuals, corporations, and other foundations to advance the needs of patients at CAMC. Povazsay will work closely with staff and volunteers to oversee the continued success of the capital campaign for a new cancer center.

NIP tax credits

As many of you are aware, the patient population at CAMC Women and Children’s Hospital is 70 percent indigent or reliant upon Medicaid and Medicare. In order to increase the impact of your gift, we have applied and been awarded Neighborhood Investment Program, or NIP, tax credits for gifts made to Women and Children’s Hospital. NIP allows us to apply for tax credit vouchers that are distributed to businesses and individuals who contribute to the CAMC Foundation. By donating to Women and Children’s Hospital, contributors can support their communities and vital programs that impact so many children and families. Each gift of $500 or more is eligible for up to 50 percent of the contributed amount in credits to reduce the following West Virginia taxes: corporate net income tax, business franchise tax, and personal income tax. NIP credits are available on a first-come, first-served basis. All gifts and sponsorships to the 2013 Gala are eligible for tax credits.

NIP credits are available on a first-come, first-served basis. All gifts and sponsorships to the 2013 Gala are eligible for tax credits.

IRA Rollover Provision Extended
With all the talk about the fiscal cliff, we are thankful for one thing at the CAMC Foundation – The IRA Charitable Rollover provision. The tax extenders package, which includes the IRA Rollover provision, was included in the fiscal cliff bill. The IRA Rollover provision permits individuals age 70½ and older to give direct gifts up to $100,000 to qualified public charities, like the CAMC Foundation, from their Individual Retirement Accounts (IRAs) without tax penalty. Individuals may exclude the amount distributed directly to an eligible charity from their gross income.

The IRA Charitable Rollover has been reinstated for all of 2013. It will now expire at the end of this year, on Dec. 31, 2013. To accomplish your charitable intent from your IRA, we encourage you to be in touch with your IRA provider to figure out the details of your IRA Charitable Rollover to the CAMC Foundation.

For more information, please call Gail Pitchford, with the CAMC Foundation, (304) 388-9860.

Welcome
Zoltan Povazsay, also known as “Zoli”, recently joined the CAMC Foundation staff as Development Officer.

Povazsay is responsible for developing, implementing, and monitoring fundraising efforts for the CAMC Foundation.

He will also establish relationships with individuals, corporations, and other foundations to advance the needs of patients at CAMC.

Povazsay will work closely with staff and volunteers to oversee the continued success of the capital campaign for a new cancer center.

Prior to joining the Foundation, Povazsay worked for West Virginia University in Morgantown. He is a graduate of the University of Southern California at Los Angeles.

If you haven’t joined Power of Many, and would like to make a donation, visit camc.org/powerofmany.

The CAMC Foundation’s fundraising campaign for a new cancer center continues. The total pledged so far is $12,759,152.

Even though groundbreaking for the cancer center is expected in the next few weeks, the foundation is still working toward its fundraising goal of $15 million.

This new facility, to be built on the old Watt Powell Park property in Kanawha City, is intended to support cancer patients and their families in an environment focused on the whole person, and not just on their disease. Patients will be welcomed into a state-of-the-art facility that is open and light; where the atmosphere will be both respectful and dignified, from the very first visit to the last. Thank you to the many people who have already donated. If you haven’t joined The Power of Many, and would like to make a donation, call the foundation at (304) 388-9860 or online at camcfoundation.org.
