Information and ways to give

• Charleston Area Medical Center is planning to build a new, comprehensive outpatient cancer center.

• The CAMC Foundation is raising money to support the project.

• This will be a regional cancer center. We have involved everyone in Charleston and our entire region as much as possible in the planning and execution of this project.

• We are in the Public Phase of the campaign, during which we will ask all community members to become the Power of Many and make a pledge or donation to the campaign.

• The employees of CAMC have contributed more than $560,000 to the campaign.

• The CAMC Foundation has acquired the land for the project; the entire property of the old Watt Powell site in Kanawha City.

• The total cost of the project is estimated at $39 million to be shared between funds financed through CAMC and private dollars raised by the CAMC Foundation.

• The CAMC Foundation plans to raise $15 million. We currently have received more than $10 million in gifts and pledges!

There are many ways to give to The Power of Many campaign.

■ Pledges or multi-year pledges (You can pledge a dollar amount over five years)

■ Cash Gifts (Cash, check, credit card)

■ Appreciated or Closely Held Stock

■ Appreciated Property or Property that Has Lost Value

■ Real Estate
