Nurse Student Portfolio Guidelines

In order to identify students who meet the nursing bar academically as well as students who possess CAMC’s core values, having the compassion and heart to care for patients, CAMC has implemented a nurse student interview as the final step in identifying nursing students for the CAMC Nurse Education Assistance Program.

Click on the links below for specific information and instructions regarding your portfolio:

- Cover letter;
- Resume;
- Community Service Verification form for activities during 2014; and,
- Applicant Recommendation Request form to be completed by manager. You will not include this form with your portfolio. The manager completing the form will mail directly to Debby Roquet as instructed on the form.

Please mail three completed portfolios (no binders please) in one envelope (you will be interviewed by a group of up to three nursing interviewers) **postmarked no later than January 16, 2015** to the following address:

CAMC Health System
HR – Workforce Development
P. O. Box 1547
Charleston, WV 25326
Attn: Diane Stricker

If you choose to **personally deliver** your portfolio, the **deadline for delivery will be 4:00 pm January 16, 2015**. Please leave your portfolio (three copies of everything inside one envelope) at the front desk on first floor to the attention of Diane Stricker. No portfolios will be accepted after this deadline.

Once portfolios are submitted, the top 50 chosen academically to be granted a potential nurse student interview will receive an email by no later than **January 31, 2015** with specific instructions for scheduling half hour interviews.
