## Charleston Area Medical Center

Charleston Area Medical Center consists of CAMC General Hospital, CAMC Memorial Hospital, CAMC Teays Valley Hospital and CAMC Women and Children's Hospital, CAMC Foundation and the CAMC Institute for Academic Medicine.

CAMC has provided outstanding health care to the region for more than 50 years, offering thousands of families convenience and accessibility through its four locations: CAMC General Hospital, CAMC Memorial Hospital, CAMC Teays Valley Hospital and CAMC Women and Children's Hospital. CAMC's broad range of specialties includes a nationally-recognized Heart and Vascular Center, largest Cancer Center in West Virginia, highest level neonatal and pediatric intensive care units, highest level trauma center, Kidney Transplant Center, regional Neurosciences Center, Comprehensive Stroke Center, Urology Center of Excellence, Continence Center of Excellence, more than 30 pediatric specialties, Cleft and Craniofacial Center, Weight Loss Center, Pelvic Floor Center, obstetrics and gynecology, gastroenterology, pulmonology, rheumatology, endocrinology, oral and maxillofacial surgery, general and vascular surgery, infectious diseases, orthopedics, pathology, plastic surgery, ENT, ophthalmology, internal medicine, urgent care and primary care.

## CAMC Greenbrier Valley Medical Center

CAMC GVMC is a 122-bed facility with inpatient and outpatient care, emergency services, surgical care and diagnostic services. The hospital has about 450 employees and 200 physicians and advanced practice professionals on its medical staff.

## CAMC Institute for Academic Medicine

The CAMC Institute for Academic Medicine provides continuing medical education, outreach education and research support to physicians, allied medical professionals, as well as patient and consumer health service projects in West Virginia and the region. The institute also operates a school of nurse anesthesia affiliated with Marshall University, as well as 18 graduate medical education residency/fellowship/intern programs sponsored by CAMC and in affiliation with West Virginia University Charleston Division and the West Virginia School of Osteopathic Medicine. Additionally, CAMC sponsors three pharmacy residency programs, a clinical psychology internship and cardiology, oral maxillofacial, pulmonology critical care and vascular surgery fellowships.

## CAMC Foundation

The CAMC Foundation is the fundraising organization for the CAMC Health System. The foundation works with donors to secure current and future financial support that helps improve the health of the people in West Virginia. In 2022, the foundation provided more than \$6.5 million in grants to support patients, families, CAMC employees, and programs and services at CAMC. Funding was awarded to nursing student educational assistance, research, and academic medicine along with support of infants and children, new technology, adult and pediatric cancer care, and families of patients in need of respite at the CAMC Foundation Hospitality House.
