Financial assistance policy plain language summary

Charleston Area Medical Center Inc. (CAMC) is committed to providing quality health care to those in need regardless of their ability to pay. This letter explains our Financial Assistance Policy which exists to provide eligible patients partially or fully discounted emergency or other medically necessary health care services provided by CAMC. CAMC and any substantially related entity are hereinafter referred to as CAMC. Patients seeking financial assistance must apply for the program which is summarized herein.

Eligible services – Emergency or other medically necessary health care services provided by CAMC, Greenbrier Valley Medical Center (GVMC) or Plateau Medical Center (PMC). The Financial Assistance Policy (FAP) only applies to services billed by CAMC. Other services which are separately billed by other providers, such as physicians or laboratories, are not eligible under the FAP.

Eligible patients – Patients receiving eligible services, who submit a complete Financial Assistance Application, and who are determined eligible for Financial Assistance by CAMC, GVMC or PMC.

Determination of Financial Assistance eligibility – Reduced or no payment will be expected for patients who meet the criteria for financial assistance. The main requirements for financial assistance are as follows:

- Income must be at 300 percent or less of the Federal Poverty Income Guidelines (FPL)
- AND total asset guidelines (\$50,000 or less), excluding primary car and primary residence
- Patients who fall in 201 to 300 percent of FPL will receive a partial discount off balance due
- Patients who fall under 200 percent of FPL will get 100 percent off balance due

Patients may apply for financial assistance at any time – before, during, or after care.

If you apply for financial assistance, you must provide us with all information required. You are responsible for applying for financial assistance.

How do I apply for financial assistance?

Step 1: Request a Financial Assistance Application.

Forms are available:
